Small Structures Project Criteria for The American Recovery and Reinvestment Act (Stimulus)

Program Eligibility

As Approved by FHWA and INDOT

04/21/09

INDOT and FHWA have concurred that the following work types are eligible for ARR Act funding:

1. Small structure replacement
2. Pipe lining (restoring the structural capacity of a culvert)

In addition, the following work types are eligible in combination with one or both of the work types previously. As sole items of work, these work types are **not** eligible for ARR Act funding.

1. Repairing headwalls
2. Repairing wingwalls

All work types listed above are not required to meet any condition rating criteria.
